

CONFIDENTIAL

2 February 1976

NOTE FOR THE FILE:

Chairman Lucien Nedzi (D., Mich.), Intelligence Subcommittee, House Armed Services Committee, and Frank Slatinshek, Chief Counsel, House Armed Services Committee, called to express their concern that Representative Robert Michel's (R., Ill.) use of the material we provided him could be counterproductive and be considered a political move on our part. I discussed this at some length with Mr. Nedzi and with Slatinshek, however, we are advising Mr. Michel that we are having second thoughts about the wisdom of putting out such information and suggested that we both think it over over the weekend before they decide to use the material.
